

Affiliate Program

Become an Affiliate Partner of InsureMyEquipment.com.

Start earning cash for every new policy purchased at InsureMyEquipment.com through your referrals.

How It Works

1. Refer Customers

- Send your customers to InsureMyEquipment.com for their insurance needs.
- You can do this via word of mouth from your rental staff, display our link or logo on your website, or any way you see fit.

2. Track Referrals

- Ask your customers to select your company on the insurance application under 'Where Did You Hear About Us?' or provide them with your custom discount code.
- Both methods will track as successful referrals from you.

3. Monthly Tracking & Quarterly Reporting and Payment

- Your policy referral count resets each month.
- Every quarter, you will receive an ACH deposit and an update on the referral count from the past quarter.

4. Get Paid!

- Enjoy the convenience of ACH deposits every quarter:
 - Refer 1 to 5 policies: Earn \$5 per policy
 - Refer 6 to 10 policies: Earn \$10 per policy

- Refer more than 10 policies: Earn \$20 per policy

Important Information

- To qualify, you must be listed as a Rental House Partner with us.
- Before receiving payment, you must submit a W9 Form & ACH Deposit Form.
- Referral payments apply to each new policy purchase, not each Certificate of Insurance (COI) generated.
- Cancelled policies do not qualify for referral payments.
- Referral fees do not apply to new General Liability policy purchases.
- Payments will be deposited in January, April, July, and October for the previous three months of referrals.
